

# Smart Supermarket

Networked Embedded Systems Project

F. Barbarulo, D. Comola,  
G. B. Rolandi, N. Zlatkova

A. Y. 2018-2019

# Why Smart Supermarket?

- ❖ Save time at the cash out
- ❖ Improve product tracking efficiency
- ❖ Increase customer's satisfaction

# Solutions

- ❖ Salvatempo

- ▶ You must remember to scan the barcode

- ❖ Our Smart Supermarket

- ▶ You must remember to put the product in the cart
- ▶ The cart scans the product for you

# Infrastructure

FIDELITY CARD

CART ASSIGNER

SMART CART  
EQUIPED WITH RFID
